

The Santa Rosa High School Fight Song

Words by Mr. Orbin Fortier - SRHS basketball coach, 1925-1946

Santa Rosa, Santa Rosa,
Fight on for your fame,
Pass the ball
Right down the center,
Touchdown sure this time!
Rah, rah, rah!
Santa Rosa, Santa Rosa,
Fight on for your fame!
Fight fellas,
Fight, fight fight!
We'll win this game!

Special Thanks

Santa Rosa High School would like to thank the staff, faculty, student and parent community for their continued support. During the past year we have had three principals we would like to thank: Mr. James Goddard, Ms. Sue Sion and Ms. Harriet Gray. Ms. Sion and Ms. Gray came into SRHS midway through the year and helped us with their leadership.

Ms. Harriet Gray has worked in Santa Rosa City Schools for 38 years as an English teacher and administrator. While she spent the end of this academic school year at SRHS, she has been the Principal at Cook Middle School for the last eight years. During her retirement, she plans to garden, play tennis, read, and travel to visit her family. We wish her the best of luck during her retirement.

Both Ms. Sion and Ms. Gray brought kindness, grace, and experienced perspective to SRHS. They will be missed, though we wish them each the best in their retirement. SRHS would also like to recognize and thank two teachers who will be retiring at the close of the academic year. Mr. Dave Robertson and Mr. Philip Weil have been assets to SRHS for many years.

Mr. Dave Roberston started his teacher career at age 28 and has taught English and Algebra for all grades. More recently, Mr. Robertson has been teaching courses in the Special Education department helping students with their academics. He is known to have a big heart and honest approach to life. After 30 years of teaching he plans to spend his retirement traveling, playing golf, and enjoying the outdoors with his animals.

Mr. Philip Weil has taught Spanish at SRHS for many years, sharing his love of speaking and learning a foreign language with students. He started his career in 1968 in Southern California, moving eventually to El Molino High School and then to SR City Schools. During his retirement, he plans to walk and find flowers while documenting it with photographs.
