

# SANTA ROSA HIGH SCHOOL FOUNDATION NEWSLETTER

**\* ANNUAL DONOR REPORT \*\* 2005-2006 SCHOOL YEAR \*\***

Vol. 17 Issue 5

*The primary objectives and purposes of the Santa Rosa High School Foundation are to serve as a charitable organization to unite SRHS graduates, parents of current and past students, faculty, staff and interested community members for: Preserving and documenting the history and traditions of SRHS; Providing financial support to the school; Promoting community involvement*

## President's Message

This year we gave SRHS \$124,000 and we are counting! We absolutely hit the jackpot, thanks to membership contributions, donations and fundraising activities of the Board. Each year we seem to find the wind to sail us beyond the previous year's efforts. To topple the \$100,000 mark set last year was not only a milestone but also the culmination of 17 years of hard work by your directors. This year's total funding surpasses last year's by \$16,000- Wow! We have, once again, spread our donations across the school. We recently funded \$8,300 for a computerized lab for the new chemistry teacher as well as \$1,500 for the automotive program, \$2,000 for a state-of-the-art timing device for Coach Doug Courtemarche's track program, and \$3,000 for partial payment for a metal shearer for the welding class taught by Tom Gutsch, the son of retired auto shop teacher Tom Gutsch (1961). We also awarded a \$1,000 scholarship each to two students who truly had an impact on SRHS.

I must praise the Board's efforts in fundraising this year. Starting off with the Golf Tournament and concluding with the Polenta Feed, your directors provided the most successful year in the Foundation's existence. We now are providing over \$100,000 a year for SRHS, the total close to \$750,000. In just a few years we will exceed \$1,000,000. We set our sights very high. Because of the Board, we are able to reach them.

Additionally, while the Board has always been careful to see that it properly handles its financial side, it has decided to form a committee to oversee that aspect of its operation and to establish appropriate controls. This finance committee will review Foundation books and bank statements to ensure accuracy and compliance. This committee will ensure that we can continue with our mission of support for SRHS.

As you can see, we have spread the wealth and we will continue to do so. We still have an anonymous donor, who over the years has helped fund thousands of dollars worth of requests, and more alumni are now demonstrating interest and involvement in specific projects like the Ag barn and the soon-to-be-rebuilt campus greenhouse. SRHS has an astonishingly wide base of support, and the total school community produces a tremendous amount of volunteer hours and dollars. We are very pleased to be at the forefront of these efforts. We will continue to raise money to support the greatest high school in town. I look forward to being involved as a Board member for many years to come and can't wait for the moment we surpass one million dollars in funding.

**Once a Panther, Always a Panther!**

*Mike Grace, President 2004-2006*

As time passes so do SRHS graduates. This sad but undeniable fact is one the Class of 1939 recently dealt with because of the death of Jack Kellar, the organizing force behind its reunions. According to Beppi Narduzzi, who worked alongside Jack on the gatherings, it was Kellar's desire to donate what money was left in the '39 account to the SRHS Foundation. Recently, Narduzzi and several other class members came to SRHS, toured the museum and donated \$500 to the Foundation.

The '39 class, some 295 in number, was the last to hold graduation exercises in the auditorium. The next year the ceremony was moved to the outdoor stage adjacent to the auditorium. Narduzzi and the other members of the class were motivated to make the donation because of the dwindling numbers at reunions and Kellar's passing.

New Board President Doug Pavese made special note of the Class of 1939's thoughtfulness and generosity and remarked how the spirit and loyalty of SRHS alumni helps the Foundation achieve its goal of financially supporting SRHS students and programs.

 Permanent Endowment Funds**

The Permanent Endowment Funds are established with bequests or legacy gifts from alums and friends of SRHS. Many of these gifts have been given for a specific purpose in which the annual earnings of the fund are distributed to that purpose at SRHS. Not every fund has a specific purpose but the earnings are distributed annually by the Foundation towards currently needed programs.

The "Annual Academic Expenditures" table represents the amount the Foundation has given SRHS and its programs in the form of grants (see page 2 for grants made in the 2005-06 school year) since it began in 1988. These grants are possible because of your generous contributions above your membership.
