

SANTA ROSA HIGH SCHOOL FOUNDATION NEWSLETTER

Donor Recognition Issue **2006-2007 School Year** Vol. 18, Issue 5

*The primary objectives and purposes of the Santa Rosa High School Foundation are to serve as a charitable organization to unite SRHS graduates, parents of current and past students, faculty, staff and interested community members for:
Preserving and documenting the history and traditions of SRHS; Providing financial support to the school;
Promoting community involvement*

President's Report

I am in awe of the generosity of our individual and business contributors. You collectively have helped to bring this Foundation to its most successful year ever. The passion driving this achievement is certainly the desire to create the finest enhanced educational experience available for students at Santa Rosa High School. This goal is ongoing, and with quickly changing technological advances at

the same time that State budgets are limited, the need is very great.

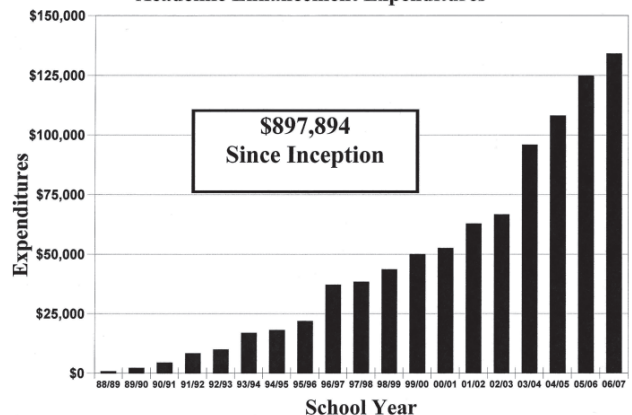

You will see within this newsletter our record list of annual grants totaling \$134,180.49 presented by each individual grant. This list includes both program funding grants and student scholarships. I would like to highlight a few of these individual grants. First, the amount of student scholarships grew to twelve this year, three were Foundation scholarships and nine were donor-endowed scholarships. Second, significant grants were made to vocational programs including automotive and welding; science and agriculture programs also were financially benefited as well as enhancements to the auditorium. The Greenhouse Project was completed through gifts from the Shirley Hutchinson Trust and from an anonymous donor. The auditorium lighting needs were completed by a gift from the Marie Lauritzen estate. The science department was presented with several grants from the general fund but was further assisted by an anonymous donor with a significant grant to purchase updated microscopes. From the Foundation's general fund, a \$6,000 grant was given to instrumental music to offset travel costs for students performing in Spain and Portugal. This year's grants, combined with all of our grants going back to the Foundation's origin in 1988, total \$897,894. I am positive the Foundation will significantly break the \$1,000,000 mark during the 07/08 school year which will also be our 20th anniversary.

Another achievement is to report the growth of our Permanent Endowment Fund. The fund grew over \$70,000 this year primarily because of bequests establishing three scholarship funds. Those funds are The Lisa Nilson Agriculture Scholarship fund, The Berta Wiggins Golf Scholarship Fund and The Lucky Jade Scholarship Fund in memory of Jack J. Kellar. The Permanent Endowment Fund starts the 07/08 year at \$296,988. As these three examples vividly show, including the Foundation in your estate plan can provide ongoing income for programs and scholarships that are of special interest to the donor for perpetuity.

This Foundation has been recognized by the school board several times this year for the significant grants made to enhancing the student experience at SRHS. You as donors are the key to this success. You can be assured that your Foundation Board of Directors will do everything it can to continue to provide careful stewardship of the Foundation's assets and to help donors realize their specific wishes in how they may underwrite student enhancement programs.

Doug Pavese
President, SRHS Foundation 2006-08

**Santa Rosa High School Foundation
Academic Enhancement Expenditures**

The "Annual Academic Expenditures" table represents the amount the Foundation has given SRHS and its programs in the form of grants (see page 6 for grants made in the 2006-07 school year) since it began in 1988. These grants are possible because of your generous contributions above your membership.

Annual Polenta Feed Pleases Again

The SRHS Foundation polenta dinner at the Vets Memorial on April 27 was another huge success. The board worked together to provide what has been called “the largest class reunion of them all.”

Six hundred forty grads and friends ate, drank, bought raffle tickets, bid on auction items, and enjoyed the delicious polenta dinner prepared by Ray Lazzini, Randy Apel, Mike Dolce, Mark Lazzini, Steve Lazzini, Bill Occipinti, Jim Uboldi, Greg Kays, Linda Musetti, Victor Torchia, Elmo Rossi, Duane Myers, Phil Bertoli, Lou Cerri, Ron Ferrtitta, Herm Baggenstos, and Gary Meagher. These generous grads and friends worked together to make the delicious dinner—and they had as much fun in the kitchen as the party-goers in the auditorium.

In addition, Daniels Chapel of the Roses supplied the tickets, Frank Bastoni of Franco American Bakery supplied the bread, Ron Pomeroy of Clover-Stornetta supplied the ice cream and butter, Ann Porrino supplied the wine, and SRHS ag teacher Lisa Piehl and her students supplied the flower arrangements and served the dinner.

The silent auction would not have succeeded were it not for the efforts and donations of Carol Guanella,, Dick Colombini, Jim and Diane Keegan, Calvin Ares, Rosie and Pat London, John Enquist, Roberto’s Restaurant, Pacific Market, Carmen’s Burger Bar, Jerome’s Mesquite Barbeque, and the SRHS administration.

The live auction featured a lamb donated by Walt Ryan, a case of wine by William Harrison Winery, a quarter beef by an anonymous donor and Marie Piazzi and the SRHS ag department, a weekend at Bodega Harbour by Dave and Pat Engman, two crab cioppino dinners by Mike Grace and Friends, a utility trailer built by welding shop students and instructor Tom Gutsch, Jr., SRHS principal-for-a-day by Tony Negri, and a Joe Montana 49er jersey by Todd and Mary Beseda.

The raffle tickets, the bidders, and the winners combined to raise \$24,000 to benefit SRHS, its faculty, programs and students. The Foundation gratefully acknowledges the generous support of these wonderful individuals and merchants. Because of the loyalty and dedication of its members and friends, the Foundation continues to succeed in its efforts to support SRHS and its students.

From start to finish this year’s polenta feed had a special quality—and much of that quality resulted from the dedicated efforts of Board members Jacky Cooper Schalich (’57) and JoAnn Hembree MacDonald (’56) both of whom tirelessly worked for months to coordinate all the elements and to ensure all the loose ends were tied up.

Permanent Endowment Funds

The Permanent Endowment Funds are established with bequests or legacy gifts from alums and friends of SRHS. Many of these gifts have been given for a specific purpose in which the annual earnings of the fund are distributed to that purpose at SRHS. Not every fund has a specific purpose and the earnings are distributed annually by the Foundation towards currently needed programs.

About the Foundation

The Santa Rosa High School Foundation, a chartered non-profit organization with the State of California, was established in 1988 to provide financial support for and community involvement in the school’s activities and to preserve its rich traditions and heritage.

The Foundation also functions as an alumni association, sponsoring activities for graduates, but membership and activity participation is not limited to SRHS graduates.

Santa Rosa High School Foundation News is published quarterly by the Santa Rosa High School Foundation, P.O. Box 11002, Santa Rosa, CA 95406. Subscription rate is \$25.00 per year, which includes membership in the Foundation. You may also sponsor an edition of the newsletter. Please contact us if you would like more information, (707) 571-SRHS.

The SRHS Foundation Newsletter invites submissions. Letters should be 150 or fewer words. All submissions are subject to editing. Please identify photos and provide credits where applicable. Please mail your articles and photos to the above address or e-mail to mdaniels@sonic.net.

New Scholarship Established

A scholarship for music and drama students and to honor the memory of Jack Kellar ('39) was recently created by his daughters, Judy Kellar Fox ('65) and Joanne Kellar ('67). This fund, which totals \$50,000, will each year award scholarships to music and drama students who will continue to study music or drama at a two or four-year college or university or at a music conservatory.

A long-time partner with fellow SRHS alum Bob Call ('39) at Santa Rosa Auto Parts, Kellar loved SRHS and his hometown. He was said to claim that drama teacher Glen Guymon and music director Helen Cochrane provided him with the direction and motivation he needed. Kellar continued his drama and music studies in college.

Kellar played the lead opposite Verona Lindau Tate ('39) in the 1939 operetta production of "The Lucky Jade." Accordingly, the Kellar sisters have named the new scholarship "The Lucky Jade: In Memory of Jack J. Kellar."

The Foundation is pleased and excited at the opportunity to administer the scholarship. It expresses gratitude to the Kellar family for their support of SRHS and its students.

Santa Rosa, CA 95406*

Enclosed is a check for \$50,000.00 made to the Foundation in memory of our father, Jack J. Kellar (1921-2006).

We wish the income from this donation to be used for two scholarships for deserving Santa Rosa High School graduating seniors. The students should be continuing their education in music at a two- or four-year college or university or a music conservatory. While a particular GPA is required for admission to some schools of higher education, none is required for the award of these scholarships. Dad's life proved that grades are not necessarily an indicator of success.

Dad was a 1939 graduate of Santa Rosa High School, where he particularly enjoyed his music classes and playing in a dance band. He had the lead (opposite Verona Lindau Tate) in the 1939 operetta "The Lucky Jade." For that reason, we'd like to name these scholarships "The Lucky Jade: In Memory of Jack J. Kellar."

Thanks for making these scholarships a reality.

Yours sincerely,

*Judy Kellar Fox
and for my sister,
Joanne Kellar*

**Lauritzen
Family Lights
Auditorium**

When English and drama instructor Vickie Carpenter looked for a funding source to enhance the lighting in the newly refurbished campus auditorium, the estate and the heirs of Marie Boss Lauritzen, '41 put together a memorial contribution of almost \$10,000. With these funds Ms. Carpenter's wish was realized.

Over the years since her graduation, Marie Lauritzen regularly attended drama and music performances in the auditorium, and this gift will perpetuate her memory as a devoted supporter of SRHS.

The Foundation and SRHS are grateful for this significant donation.

Gifts That Transcend Time

Our list of annual contributions is vital and addresses our immediate needs. Have you ever thought about creating a permanent fund that will assure the Foundation an ongoing source of income? By creating an endowment you can accomplish this and your endearing benevolence will perpetuate your support of a cause that's close to your heart. Your gift can underwrite a particular project, maintain a continuing program or provide annual scholarships. You can establish the fund now with an outright gift and add to it each year, or you can arrange future funding by means of a bequest or life income program. And fittingly, the fund may be named for yourself or a loved one.

But how does an endowment work? An endowment is a fund established with cash, securities, or other assets to provide income for the program or scholarship. The fund may be restricted or unrestricted. You can instruct us to restrict use of the income for your defined program or you may allow the Foundation Board to direct the income to current programs needing funding. In short, you set the criteria for your gift. The current annual spending rate is 5% of the endowment fund amount. In arriving at the current rate, careful consideration is taken to maintain the principal gift value. An example is an endowment fund of \$20,000 would produce an annual income of \$1,000 to support a program or scholarship.

Once you have decided to create an endowment and memorial, you have several methods of funding and your benevolence may be rewarded by substantial tax savings. The most common ways of establishing your fund is by gifts of cash, appreciated assets, retirement plan assets, life insurance, or bequests. You should consult with your attorney or CPA for legal or tax matters.

The Foundation will be pleased to help you create your endowment. For more information, contact the Foundation at P.O. Box 11002, Santa Rosa, CA 95406 or you may call Doug Pavese at 707-538-3167. Working with your professional advisors, we'll help you determine the fund's appropriate purpose and resources.
