## Foundation impacts students' lives

by Hillary Wooton '85

Many people understand the tremendous impact the SRHS Foundation makes in the lives of graduating seniors through its scholarship program. Students repeatedly share with the Foundation that the scholarships make the difference between attending college and not attending college. After dispersing scholarship checks last summer, the Foundation received several thank-you letters from recipients expressing just that: without scholarship assistance college would not be possible

One resource available to students, faculty and staff is the Panther Project Fund. Members of this committee meet monthly at Adele's Restaurant in the early morning to hear and evaluate requests for project funding otherwise unavailable. Members of the PPF committee agree that waking up to be at Adele's by 6 am is difficult, but the gratification of helping finance educational materials and events makes the effort worthwhile.

If the project request is less than \$2,000, the committee will vote immediately. If the request is larger, the committee brings it to the board for a vote. Funding supports academics, technology, travel for educational functions, athletics or the arts.

Recently, PPF approved the following: an electronic

timing system for track and field, three digital projectors for math classroom use, specialized equipment for chemistry and physics classes and funding for Project Graduation.

These grants are valuable to the student experience at SRHS. But sometimes powerful learning comes from events outside the school.

One recent funding approval supported a student field trip to see Selma, a film that chronicles Dr. Martin Luther King, Jr's march from Selma to Montgomery,

AL in 1965. The entire junior class, 450 of them, attended and the trip started, not with typical transportation, but with a march. The students, teachers and chaperones walked from SRHS to the Roxy Theater in downtown. The Santa Rosa Police Department provided

assistance, and they were impressed with the orderly and responsible students. The campus History Club re-created signs used in

## President's Message

As we move to the end of the Foundation's 27th year, I want to remind you of why the Foundation began back in October 1988.

The mission of the Foundation is to serve as a charitable organization, which unites Santa Rosa High School graduates, parents of the current and past students, faculty, and interested community members for the purpose of 1) preserving and documenting the history and traditions of Santa Rosa High School, 2) providing financial support for the school and its programs, and 3) promoting community involvement in the school's activities. The primary objectives and purpose (mission Statement) that were drafted into the bylaws of the Foundation by the founders are truly remarkable; they have developed the Foundation into the strong and thriving organization it is today.

In the early years, the Foundation conducted various fund raising events to provide scholarships and to underwrite various projects. In 1997 the concept a polenta feed was launched, an event that has developed into the largest and greatest annual all-class reunion in Sonoma County . The event, now in its 17th year, has grown in popularity from around 200 attending at the Druids Hall to today's 650 at the Vets Memorial. In addition, held every year in the fall, the Foundation hosts an excellent golf tournament (21st Annual in 2015). Other sources of funding include foundation membership, One Thousand Panthers, special and memorial contributions and annual campaign contributions. These fundraising sources have provided the ability for the Foundation's Panther Project Fund to finance faculty, administration and staff projects. To date this year, the Foundation has contributed over \$69,000 in support of such projects. In May 2015, the Foundation will issue scholarships to deserving seniors that will total more than \$110,000.

The Foundation has fiduciary responsibility for the oversight and management of endowment funds to benefit SRHS. The Foundation's investment committee quarterly reviews investment strategies of endowed funds (which total just under \$3 million) with its professional financial advisors. At these quarterly meeting, strategies are reviewed and established and presented to the board of directors for the approval of the recommendations. Over 80% of these funds are restricted in their use, typically the for scholarships for graduating seniors.

The balance of the endowment and other sources of funds (membership, One Thousand Panthers, special and memorial contributions and annual campaign contribution) are used to fund campus requests. These funds are referred to as "Unrestricted Funds." One of the more significant fundings this year was the purchase of tickets for the entire junior class to view the movie Selma. I had the pleasure to escort them on a walk downtown to the theater. My feeling was the students were happy not to go to class, but after viewing the film, their attitude was more profound as they had never experienced the negative behavior portrayed in the film of preventing people to vote. On the walk back to campus, I was impressed by the concern and questions asked by the students the events of 1964 in the South.

Through your continued support of the Foundation the students were able to participate in such a moving event. The entire junior class has benefited by seeing the movie Selma and the viewing of the moving "Vietnam Wall" in Sonoma a couple of years ago. These memories will have a lasting effect of each student and the Foundation appreciates your financial involvement.

Lastly, I am saddened to acknowledge the passing of David Frey '67. David served on the Foundation and as its President. David's leadership and direction helped develop the Foundation its current great status. Condolences to his spouse, Sally, and family.

I am also sorry to report that Hillary Wootton '85 has resigned as director and as editor of the newsletter. Don Cambou '64 has volunteered to assume leadership for that publication.

Jim Ward  
President, 2014-2016

## Museum Donations

**David Gervais '59** donated a number of items to the museum including a 1931 Echo, musical programs from the early 30s, Luther Burbank School News of December, 1926 and a Santa Rosa Junior High Journal of 1928. The latter two will find their way to their respective and proper homes.

Also donated were a 1921 annual and 1914 commencement book from **Evelyn Sherrer**. **The books belonged to her husband Bill's aunt Thelma Rowe.**

**Allene Wilson Cornolo and John Cornolo '55** donated old newsletters to the museum as well—as did **Art Valencia '59.**

by Pandý

WE'VE GOT SPIRIT: **SRHS** was the winner of the very first "Battle of the Fans" contest. The Panthers won over fourteen other high schools. Judges of the contest, sponsored by Friedman's Home Improvement, visited campuses during

basketball games to observe the rooting sections. SRHS received a banner and \$1,000. The best part: the contest rewards positive cheers, not the negative stuff. Go Panthers!

Now we're gonna recognize some of the alums from classes getting ready for their big reunions. Let's start with the class of '85 and follow with '65, then '55

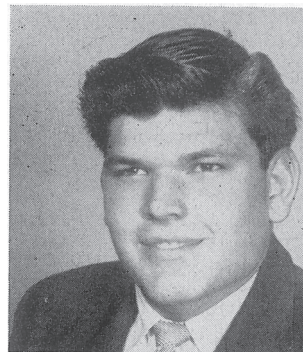

1985: **Mohammed Dehestani** returned to his native Iran where he's been working as a television producer for 23 years. He travels the world for his job and has recently been on the road with the Iranian National Deaf Basketball Team. He's currently working televising athletic events featuring Special Olympians and wounded war veterans...

**Holly Kralj** recently received her DNP, Doctor of Nursing Practice, from the University of Hawaii. She wrote her dissertation on expanded screening and treatment for postpartum depression... **Rodney Smith** just shattered his "Personal Best" time for a half marathon. He started running with his daughter in 2011, only four years ago. But he really caught the running bug. He plans to compete in a total of eight half marathons in 2015... **Mike Byland** just completed a Celebration of Life tour of the Southwest with his friend, **Fernand Gandolfo**, also a SRHS grad. Fernand had cancer, was extremely ill, and undergoing chemo when they planned the trip. They visited National Parks and sacred Indian sites. Here's the payoff: Fernand is now cancer free. They plan another trip next year

1965: **Sylvia Moore** has been a flight attendant for 45 years. She's traveled nearly 20 million miles in the air. She's taken care of the likes of Charles Lindberg, Richard Burton, Charlton Heston, Sidney Poitier, and Janet Jackson. In her free time, she received linguistics degrees from both UCSD and UCLA, learned to scuba dive, performed classical piano recitals, trekked to 18,000 feet in the Himalayas, and performed Flamenco Dance. Phew! When she soon retires, she'll concentrate on her classical piano, and – why not? – learn to fly... After two years at Santa Rosa J.C., **Mike Lindsay** got a job as a respiratory therapist trainee at a whopping \$2.02 an hour. During the next 38 years, he added two additional

degrees and served as a therapist, supervisor, manager, and director of respiratory departments at Memorial Hospital, Community Hospital, Marin General, and finally Sutter in Santa Rosa. He and his wife are now retired and live on the Oregon Coast.

1955: **Bill Fairbanks** completed his Walk across America in August of 2014. Los Osos, California to Dedham,

William Fairbanks. 1955 *Echo*

Massachusetts. His wife **Carole (Hatcher) Fairbanks '57**, accompanied him as his invaluable roadie. Several SRHS classmates, including **Bill Gray**, **Ted Smith**, and **Tom Potter**, walked with him on sections of his route. Being a cultural anthropologist, he studied the nation as he went. He wore out eight pairs of shoes. Now, he's looking forward to his 60th

class reunion. Old Panthers just keep on truckin'.

the theater after the showing.

According to Principal Brad Coscarelli, "The event was an incredible experience for our students, showing not only their school pride and spirit, but the ability of our young women and men to show off their maturity and awareness of this time in our nation's history."

This march and the film was not only timely but also provided a powerful learning experience for the juniors. History teachers created, planned and coordinated the field trip with the support of the administration and the History Club. The Foundation's role came later, when the need to pay for the discounted tickets emerged.

The SRHS Foundation has a mission to support the educational, athletic, artistic and community-focused projects developed by the SRHS staff. It's one aspect of the Foundation's goal that the board of directors are most proud of, because it has an immediate and positive effect on the students.

## New SRHS Scholarship Announced

Dick Gong, of G&G Market in Santa Rosa and Petaluma, recently established a permanent endowment fund with the Foundation to establish an annual scholarship for a deserving senior who intends to follow a business career. The scholarship honors the memory of his sister, Betty Jean Gong.

Betty was born in Stockton where her parents operated a small grocery. The family moved to Santa Rosa and developed one of Santa Rosa's landmark restaurants. She graduated from SRHS in 1966 and earned an associate's degree from SRJC before joining the family business.

Betty ultimately became a co-owner of the business, its president and considered to be the family matriarch. Active in the community and supportive of charitable organizations, she passed away in 2011.

The criterion for receiving the scholarship centers on enrollment in a two or four-year accredited college or university. Scholastic standing at SRHS is not necessarily a prerequisite, but a promising and committed pathway to a business-related career and financial needs are highly considered. Each year the SRHS Business Department selects a recipient for the Betty Jean Gong Scholarship.

The good news to share with all of you is that the Foundation continues to grow by welcoming 22 new members and receiving 139 membership renewals since the last newsletter. Contributions and memorial gifts this period total \$10,320. Thanks to all of you who include the Foundation in your gift giving.

A Development Committee Campaign An Unrestricted Endowment Fund

The campaign is into its 5<sup>th</sup> year, keeping its eye on the goal. Have you joined the parade? The year-end campaign added 30 new Panthers. Here is how it's doing in 2015.

The goal continues to add unrestricted capital to the SRHS Foundation Endowment Fund by promoting donations to reach a goal of \$1 million. The campaign began in 2011 and will continue until the goal is met.

Earnings on these unrestricted funds will ensure an ongoing annual means of providing financial resources for SRHS student academic and athletic enhancement programs. The Foundation's board of directors approves funding requests made by students, faculty or administrators through a monthly grant process.

Donations can be made with cash, checks, and credit cards from individuals and groups (pooled) or employer matching funds and can include pledges over 2, 4, and 5 years. Marketable stocks and IRA distributions directed to the Foundation are another choice. Just designate that you want your donation to join the ONE THOUSAND PANTHERS Pandy Fund.
